PRESENTED BY

Chartwell Retirement Residences

Chartwell Retirement Residences is a leader in the Canadian retirement living industry. The largest owner and operator of seniors housing in the country, we have over 200 retirement and long term care residences across Ontario, Quebec, Alberta and British Columbia. Our guiding purpose is Making People's Lives **BETTER**. We put that commitment into practice each day by providing a happier, healthier and more rewarding experience for our residents, their families and our employees. Chartwell has 8 retirement residences in the Edmonton area. As local experts, we are dedicated to providing education about retirement options and the health care system to seniors and their families.
